Thanksgiving 2022

Dear Friend of Chicago's Airport Chapels,

It has been a busy summer travel season at O'Hare and Midway Airports and at the Chapels as well. In August, we had our first in-person Airport Chaplaincy Emergency Response Team (ACERT) training since 2019! Our chaplains and volunteers train for emergencies every year, and it felt good to be together in one room again. Because of your past contributions and support, the safety vests that we purchased have been put to good use, and we are also able to finance the day-long training.

Our chaplaincy team members at O'Hare's FAA Triennial 22 Emergency Exercise in September

Your generosity continues to enable the O'Hare and Midway Interfaith Airport Chapels to provide religious services, clergy for emergencies, pastoral care, and quiet places for prayer, meditation and reflection.

I want to alert you to a new fund-raising opportunity—our virtual **Holiday Silent Auction**.

Autographed Chicago Blackhawks
Patrick Kane Jersey
(One of our many auction items.)

We have received generous contributions of items that we would like to share with you. Please visit our website www.airportchapels.org, click on Holiday Silent Auction, and you will be directed to our silent auction page. Some of the many items that we received include autographed sports memorabilia, hotel and restaurant gift certificates, rounds of golf, and gift baskets. If you're looking for a unique gift for that special someone, and you want to support the Interfaith Airport Chapels, this is a wonderful opportunity!

The auction will start on Saturday, November 26, at 8:00 a.m. It will end on Tuesday, December 6, St. Nicholas Day, at 9:00 p.m. This is in time for you to purchase and receive gifts for the holiday season.

Thank you for your continued support. Know that you and your family are always in our prayers. Please also pray for me and my colleagues who serve at the chapels—Catholic, Protestant, Jewish, and Muslim—as well as all the people that we serve at Chicago's Airports.

Sincerely,

Fr. Michael G. Zaniolo
